

**CERTIFICATE OF SOFTWARE  
UNINSTALLATION, REMOVAL AND DESTRUCTION, OR TRANSFER**

---

This Certificate of Software Uninstallation, Removal and Destruction, or Transfer is between you (“Licensee”) and Voyager Search, a California Corporation.

Pursuant to the license agreement and purchase orders between Voyager Search and Licensee, Licensee may use only the quantity of Voyager Search software for which appropriate license fees have been paid to Voyager Search and/or in accordance with the licensed configuration as authorized by Voyager Search.

Licensee must discontinue use of Software when licenses expire or are terminated, or are upgraded or converted, including associated authorizations, license registrations or unlock codes, if applicable. Voyager Search requests return of this Certificate of Software Uninstallation, Removal and Destruction, or Transfer within (15) days of license expiration or termination, or Licensee's receipt of new media, authorizations, license registrations or unlock codes for any upgraded or converted Software.

Licensee may transfer a license registration from one machine to another (not to a third party), by providing Voyager Search with the identification of the new machine ID.

PLEASE SELECT APPROPRATE BOX BELOW

**Uninstall and Removal of Software.** Licensee represents and warrants that Licensee shall uninstall or remove and destroy the proprietary Voyager Search Software, authorizations, keycodes, registrations, unlock codes, documentation, revisions and updates for the platform identified below within (15) fifteen days of the date signed below. If any other copies of Voyager Search Software, authorizations, keycodes, registrations, unlock codes, documentation, revisions and updates are subsequently discovered, except as authorized in writing by Voyager Search, they shall also be uninstalled, removed and destroyed in a manner consistent with this certification.

**Transfer to a new machine.** Licensee represents and warrants that Licensee has uninstalled or removed the proprietary Voyager Search Software, authorizations, keycodes, registrations, unlock codes, documentation, revisions and updates for the platform identified below and transferred the same to the New Machine ID identified below.
